

The world has 6909 living languages. At least 350 languages are spoken in US. 60 million of people in US don't speak English at home. Ziad Fazah speaks 58 languages, most languages spoken by one person.

You might not have been in the ESL but all Christians are in FSL. FSL means Faith as a Second Language. We are all born with native language of fear, doubt and defeat. When we move into the Kingdom of God we have to learn language of God which is faith. To learn new language we have to surround ourselves with people who speak it.
