Where you are, is always where I want to be

CHORUS:

Its time to redefine what I am living for anyway

Oh you might had thought that I would never make it
But I'll make it

VERSE 1:

I know I've had my doubts
Of laying down my crowns
But in spite of the commotion
Setting sight on worthless notions
I ain't holding back anymore
Its time to do what I was made for

CHORUS:

Its time to redefine what I am living for anyway
Oh you might had thought that I would never make it
But I'll make it

Don't be misguided or mistaken
I'm not a fake it 'till you make it
